

# Merck Medical Forums

## Join us for an interactive lecture

Merck cordially invites you to attend the medical education event listed below for US healthcare professionals and US healthcare business professionals only. Merck is sponsoring this event and the speaker is presenting on behalf of Merck. The event is a non-CME program. Information presented in this event is consistent with FDA guidelines.

### Personalizing Your Approach With First-Line Treatment Options for mNSCLC

#### Learning objectives:

- Understand efficacy & safety data associated with certain first-line treatment options for metastatic non–small cell lung cancer (mNSCLC)
- Discuss how patient characteristics may drive your treatment strategy
- Review and understand the NCCN Guidelines<sup>®</sup> recommendations in mNSCLC

**Saturday, September 24, 2022**

12:00 PM CST

Chicago Marriott Downtown Magnificent Mile

540 Michigan Ave, Chicago, IL 60611

Chicago Ballroom E (Salon E)

**Speaker: Kelly Pendergrass, M.D.**

- *This presentation was approved by the International Association for the Study of Lung Cancer (IASLC) as an independent activity held in conjunction with the 2022 North America Conference on Lung Cancer (NACLC). This presentation is not sponsored or endorsed by NACLC or IASLC and is not part of the official IASLC-accredited program.*
- Merck is pleased to sponsor this event to provide information consistent with FDA guidelines. This event is not an accredited CME program and is not designed to meet any training and/or educational requirements.
- The speaker for this event is speaking on behalf of Merck.
- Merck Medical Forums are educational meetings and do not include alcoholic beverages.
